ORGANIZATION

1. CREATION AND NAME OF THE ORGANIZATION

Established in 2005, 5 Cyclone Squadron has grown quickly and serves youth from Russell, Embrun, Vars, Greely, Winchester and surrounding areas. The creation was authorized by the Department of the National Defense (DND) and the National Air Cadet League (ACL) of Canada's Board of Governors.

2. MISSION

We commit to develop in each and every Air Cadet qualities of leadership and an aspiration to become a valued member of their community. We reinforce values necessary to prepare youth to meet the challenges of tomorrow.

To this end, we offer dynamic training in a supportive and efficient environment where change is a positive and essential element.

3. THE SQUADRON SPONSORING COMMITTEE'S (SSC) MISSION:

The SSC is a civil organization whose mission is to aid, support and fund the Air Cadet Program at the squadron level. We organize some social and fundraising activities and support the Commanding Officer (CO) in his mandate.

4. ORGANIZATIONAL VALUES

Our values are based on our motto and give meaning to our organization, our decisions and our day-to-day actions.

Our motto and values are the supporting foundation for our entire organization. Our motto should be a guide for cadets and volunteers as well as for our entire organization. We believe that this motto

“Today's Youth, Tomorrow's Leaders”

should constantly remind everyone associated with our organization of the importance we attach to these words and their meaning. We want our entire organization, the youth, volunteers, staff and committee to engage in a constant learning process so that they will be better prepared to serve and grow. In this way, we constantly seek to learn from our experience, progress and improve from these lessons to better serve those who count on the

5. MANDATE AND TERRITORY

The squadron operates in the territory of Prescott-Russell and surroundings. We are part of the Regional Ottawa Area and the Province of Québec and the Ottawa Valley, which includes the Ottawa squadrons and its vicinity.
